

PICTURE DAY INFORMATION - SUNDAY JUNE 6, 2021
AT THE STUDIO – 336 FEDERAL ROAD, BROOKFIELD

Please find your dancer's normal weekly class time listed below on the left, follow their row along to find that class' specified arrival time, photo time, and dismissal time. Each class will have their own specified time for photos.

Parents will absolutely not be allowed in the building for COVID safety and social distancing.

Please wait outside in your car until your child's class is being called into the studio as we will still be checking temperatures and requiring masks to enter the studio. Please wait in the parking lot during your child's photo

Be sure your dancer is fully dressed in their recital costume with the specified recital hair, makeup, tights and shoes on when they arrive at the studio.

Group and individual photos will be taken without masks this year in an effort to give you a little better memory of this dance season. Masks will be kept on at all times until the photographer is ready to click the button and will be immediately put back on after the photo is taken. We will be sanitizing between each class as usual.

Please check both pages for your dancer's photo time(s)
